*** This is just the basics! We offer additional packages. For more information and to view our sample albums and other package offerings, we request that you set up an appointment.*

The above packages include...

- ∞ A bridal assistant and professional photographer on the day of your wedding.
- ∞ Wedding images that will be posted for your online viewing within 48 hours of the wedding day.
- ∞ Flexibility to choose your options. Each of our packages include a select number of credits that you can use to select additional products to compliment your album. You can customize your package to suit your needs.
- ∞ A unique and beautiful heirloom-quality album, artistically designed specifically for you. Each of our albums are one-of-a-kind pieces of art, designed with you in mind.
- ∞ Fast turnaround... Your album will be designed in our studio after the wedding, and you will receive your finished products approximately 6-8 weeks after you approve your final album design.
- ∞ Top of the line products to preserve your cherished wedding memories. We use only the highest quality products available in the market today.

To reserve our services...

A \$300 nonrefundable retainer fee is required when reserving your date. This will become a \$300 gift certificate that may be used towards the purchasing of online photographs after the wedding, once your package is paid in full.
